Hi Allison, got your voicemail on page 40 of the RTC and page 19 of the decision doc. See what you think of the generic language in the RTC. This is what we wrote in the rationale for the other studies. For the decision doc, you have the right reference. I added in a couple of other phrases to make that paragraph more accurate.

## Ex. 5 - Deliberative

I'm in a few meetings today, **Ex. 6 - Personal Privacy** I also might be free from 12:30-1pm PST/3:30-4pm EST.
